Ranger Reports

The Manor Royal BID has appointed and works in partnership with the Blue Light Group to provide this dedicated service

Month	February 26	Report date	28/02/26	Person	Steve Shaw
--------------	-------------	--------------------	----------	---------------	------------

This report provides highlights drawn directly from detailed Business Rangers reports submitted by the Rangers themselves while carrying out their duties. This is not meant to serve as a comprehensive report on every report or activity carried out by the Business Rangers but provides examples of the kind of work the Rangers have been doing to keep Manor Royal safe and working.

Commentary	Report Type: Suspicious Behaviour
<p>24.02.2026 16:25:16 Locations County Oak Retail Park Details whilst on a patrol of London road I observed a male and female acting suspiciously I watched them go towards the stores and made retailers aware. The couple split up with the male on the phone, the female entered Next and when she saw me she left the store, all the time the male was outside. The female then went into Boots. She was looking at the makeup and then left the store but setting the door alarms off I asked if she had anything on her. She showed me a grey bag but she was reluctant to come back in the store, she told me she kicked the door alarms that's why they activated, I said that wouldn't do that, I asked a few times to come back in to the store as I wanted her to set the alarms off, I did not see her take anything and the CCTV of Boots was not working so I could do no more. Male was wearing a camo dark green coat black trousers white trainers, the female had a cream top with a large black rucksack long brown blond hair also a green and White Asda bag. MANOR ROYAL BID BUSINESS RANGER MONTHLY OBSERVATION REPORT

Commentary	Report Type: Crime
<p>26.02.2026 16:12:17 Locations County Oak Retail Park Details whilst on patrol we received a call from Hobbycraft saying a male in a black coat with dark grey joggers and black trainers, attempted to use a fake note, but Hobbycraft rejected the sale. The same male was then in Currys trying to use the same note, Curry's kept the note and the male then ran out of the wrong door of Currys, at this point Curry's called the rangers and was also on the phone to the police 999, I was giving chase with my colleague, my colleague caught up with the individual outside the BP garage, I looked over the fence and I could see my colleague had stopped the individual</p> <p>The individual was resisting and trying to get away trying to attack my colleague by attempting to knee and kick to the groin area. I attempted to guide him to a corner as we was in the exit of the BP garage when he again tried to knee me. At this point the individual went to the ground by dropping his body weight and ended up on his front holding his phone calling someone. I contacted Carry's on the radio asking for an update on the police response. By this time we now had 2 males trying to free the male we had restrained - the male in the white t shirt called him Andrew after saying that he didn't know him who then went away after I said everything was being recorded on the body cam but hovered around trying to get involved. I kept asking for assistance and wanted police now as more people were getting involved. The police then arrived and took over. Escalated Emergency (999)</p>
