Sustain & Renew

Helping to make Manor Royal and its companies more sustainable and live within our means

The Manor Royal BID will deliver:

- Collaborative energy initiatives and forums to facilitate the transition to Net Zero across Manor Royal
- Provision of signposting, guidance and support to enable Manor Royal businesses to become more sustainable
- New and enhanced green community spaces to support wellbeing, with planting and maintenance schemes that support biodiversity
- Provision of advice, support and incentives to adopt more active and sustainable travel behaviours
- Support for Manor Royal's future skills needs through local educational outreach, training provision and promotion of green tech on Manor Royal
- Support and promote wider net-zero ambitions for the area
